Re: *In re Aspartame Antitrust Litigation,*
Master Docket No. 2:06-CV-01732-LDD

Dear Judge Davis:

Pending before the Court is Plaintiffs' Motion (Docket No. 181) requesting the Court to reconsider its Order granting Defendants' Motion for Summary Judgment.

Within the past week, Plaintiffs have obtained newly discovered evidence that we believe bears directly on the issues in that pending motion. Therefore, we will shortly be seeking leave to file a supplemental submission in support of the Motion for Reconsideration.

Plaintiffs will file the motion papers in the near future. We send this letter in advance so that the Court and Parties will be aware of the impending filings.

Respectfully,
